INVOICE

Local Business Owner,

Last year, we had over 130 girls playing on 13 teams in four divisions for Chariho Girls Softball. Although our league is small by many towns' standards, the Chariho girls have always been competitive with other towns when we meet during post season and all-star competition. However, the level of enjoyment and constructive activity that we provide for our players demonstrates the real success of our league.

We are a volunteer organization, run entirely by parents. Our season officially starts on Opening Day where we recognize each sponsor and contributor.

Our expenses are many including umpires' fees, insurance, trash removal, port-a-johns, field maintenance, equipment, trophies, printing and postage, etc. We rely on sponsorship fees, registration fees, and fundraising to run the league.

Sponsorship Benefits:

Each team will wear the name of the sponsor on their shirt. Your business name will also appear on our website. We also have sign sponsorships, where for a fee we will hang your business sign at one of our fields for the duration of the season and through the summer.

Please review the information in the section below and complete/edit. Detach and return it with your remittance of \$ 250.00 by March 1, 2019. For sign sponsorship please add an additional \$400.00

Thank you again for your continued support as we look forward to another successful season!

Kevin Dorgan – Vice President CGSL
